

Help shape the future of Adult Social Care in Dorset

Join Dorset Council's Quality Assurance Reference Group

We're looking for enthusiastic individuals to join a group that helps improve adult social care services across Dorset.

As a member, you will: review how adult social care services are doing, share your thoughts and ideas to help shape better services, and look into complaints and share your own experiences to help improve things.

Your voice matters—join now to help shape the future of your community

Meetings are every other month at County Hall, Dorchester. Travel assistance available on request
